ACME: The One Solution for all Event Types

Events You Attend + Events You Host

THE STRUGGLE IS REAL

How do we make sure sales is engaging with the right people?

“It takes too long to get leads into CRM”

“I’m not able to accurately measure my ROI”

“I’m dealing with a new lead-retrieval provider each show”

“Not enough leads are being collected”

The Event Lead Generation Problem

LEAD VOLUME

Missing Leads / Events
Ineffective appointment setting

75% of follow up activities never happen

LEAD FOLLOW UP

Slow / No /
Ineffective follow up

2 Weeks avg. follow up time for live event leads

PROVE IMPACT

Unclear Event ROI

Only 1/3 of CMOs have the analytics needed to validate event spend

How Acme Helps at Events You Attend

Acme’s Trade Show Solutions

Appointment Scheduling

Lead Capture

CRM/Marketing Automation Integrations

"How many C-level/VP targets did we meet at the event?"

"How many meetings did each rep have at the event? And with C-level/VP?"

"What was the amount of existing pipeline that we 'touched or influenced' at the event?"

Answer Key Questions Posed By Sales & Marketing Executives

"What net new pipeline (SQL) did we build at the show?"

"Of all the badges scanned, how many people also had sit-down meetings at the show?"

End-to-End Trade Show Support

Before the Event

Set appointments with leads at the show

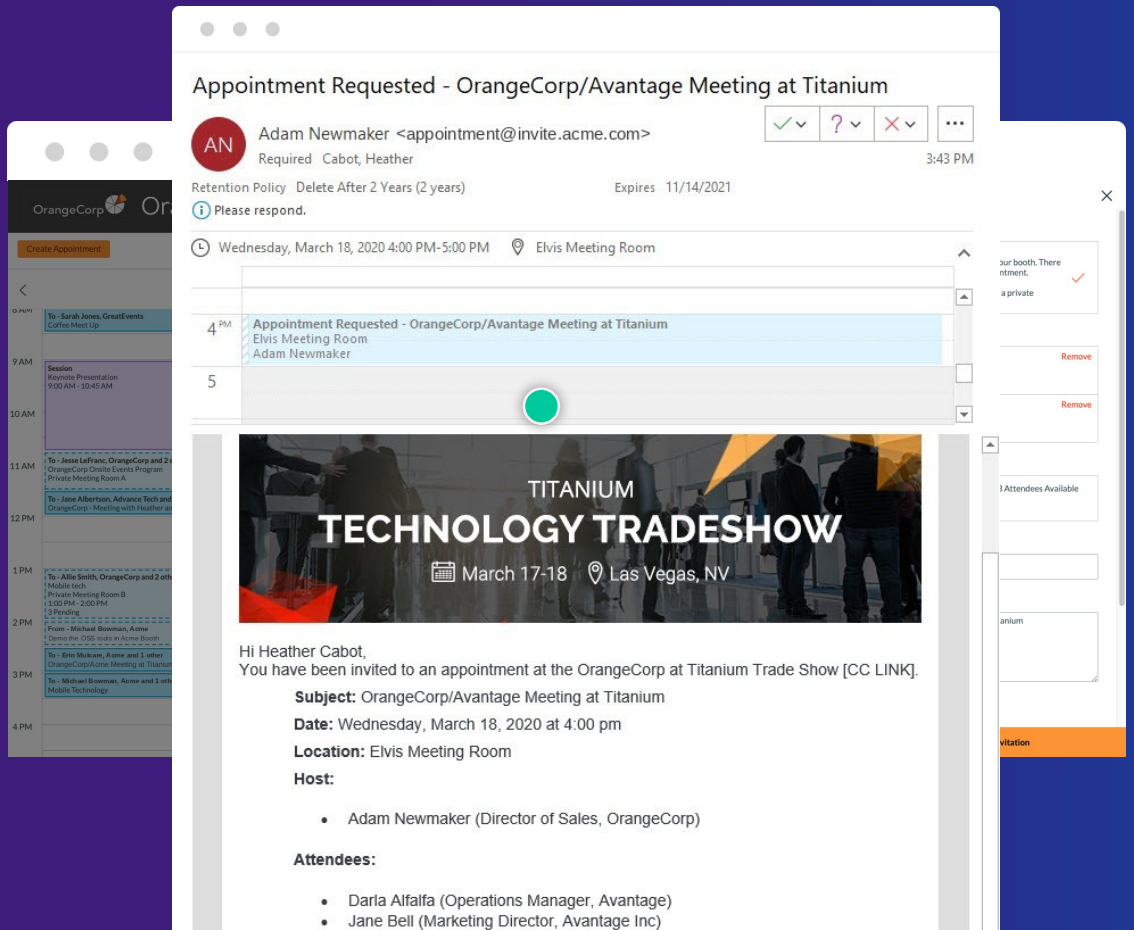

During the Event

Collect and qualify leads

After the Event

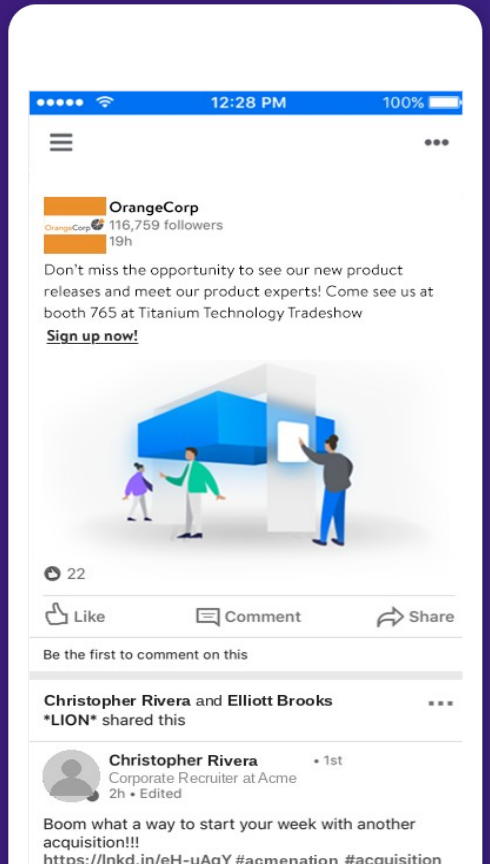

Deliver leads and create reporting

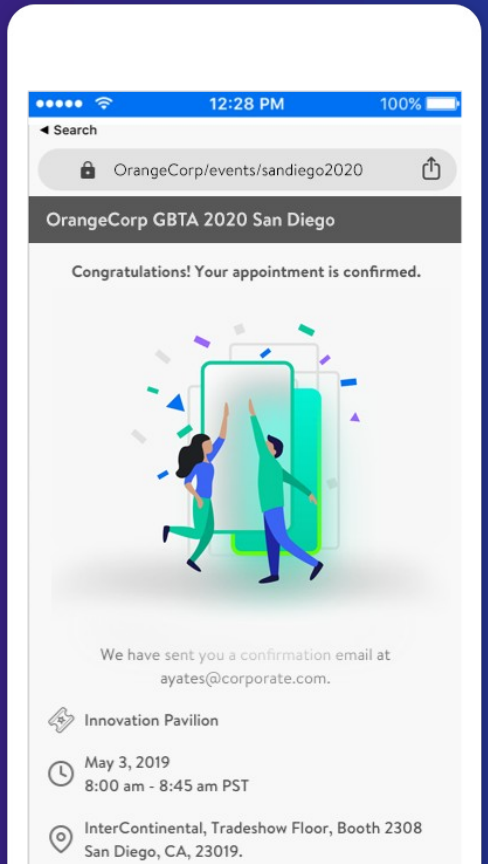

Attract More Qualified Booth Visitors

Sales staff can schedule meetings within pre-defined or custom timeslots

Self-Scheduling

Opens up more channels to drive more appointments

Uses a shareable link that can be widely shared

Eliminates the need for an intermediary

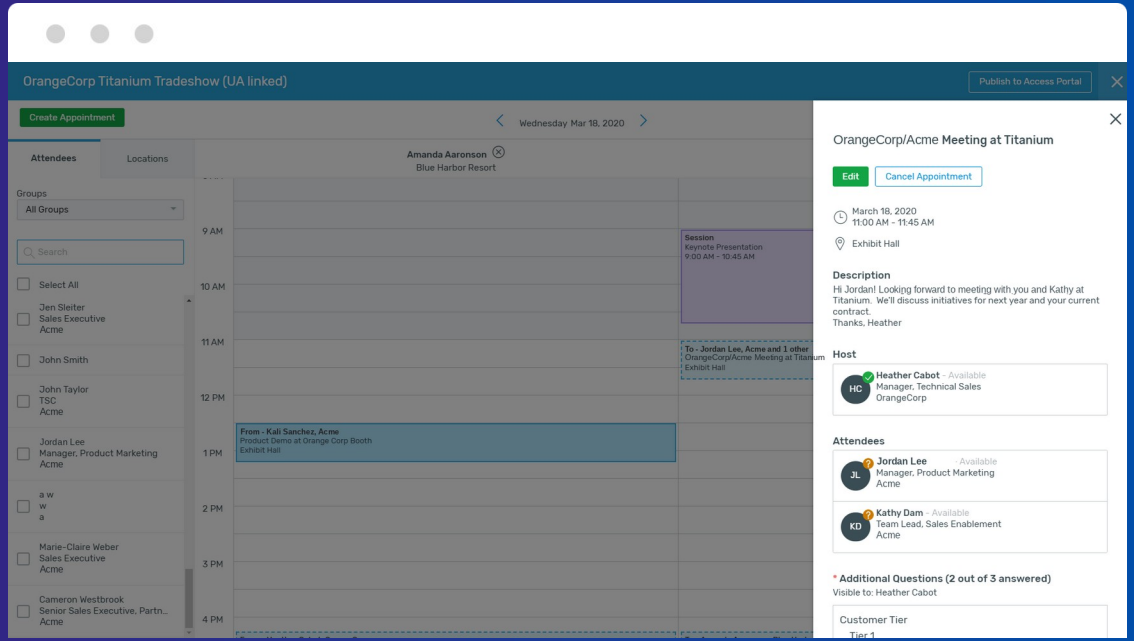

Stay in Control as a Planner

Manage, edit and create appointments on others' behalf

View appointments by location

Require Planner approval for meetings that require private rooms or exec attendance

Locations are reserved and emails are sent only when the Planner approves

End-to-End Trade Show Support

Before the Event

Set appointments with leads at the show

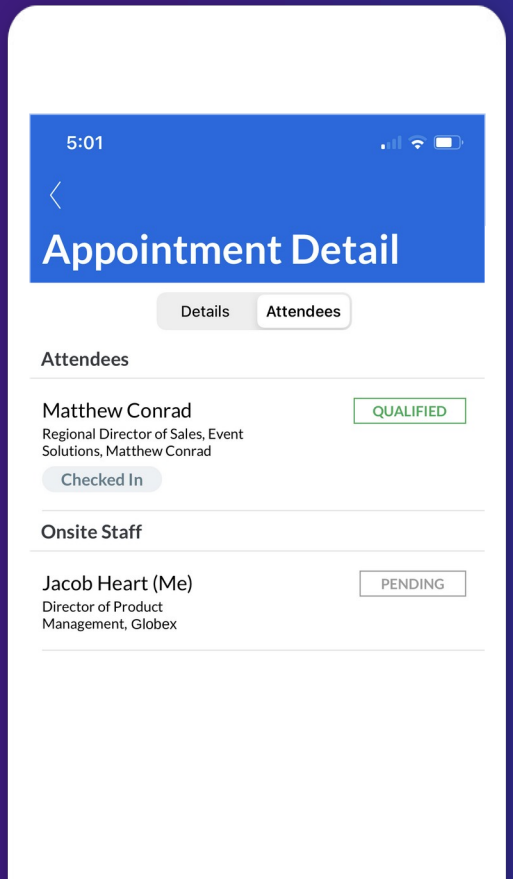

During the Event

Collect and qualify leads

After the Event

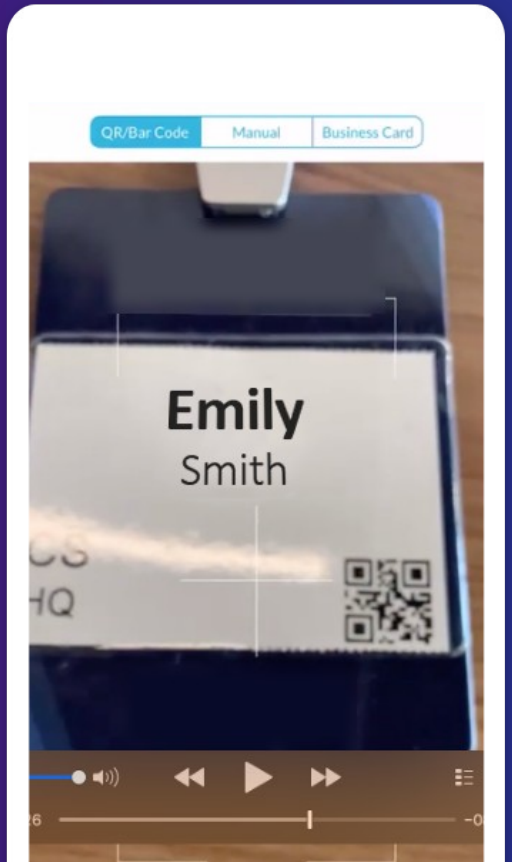

Deliver leads and create reporting

Manage Appointments in the Lead Capture App

- Booth staff can access their personal and team calendar
- View meeting details, private notes, and attendee statuses
- Check in attendees to capture attendance
- Qualify leads to take notes on meeting

What the Lead Capture App Can Do For You

Rate leads

Insert notes

Create custom qualification surveys

Instantly share sales and marketing collateral with leads

Three Ways to Capture Leads

Business Card Scan

QR Code /
Bar Code

Manual Entry

Over 20 Badge Kit API Integrations

REAL-TIME BADGE KIT API'S

RECONCILIATION BADGE KIT API'S

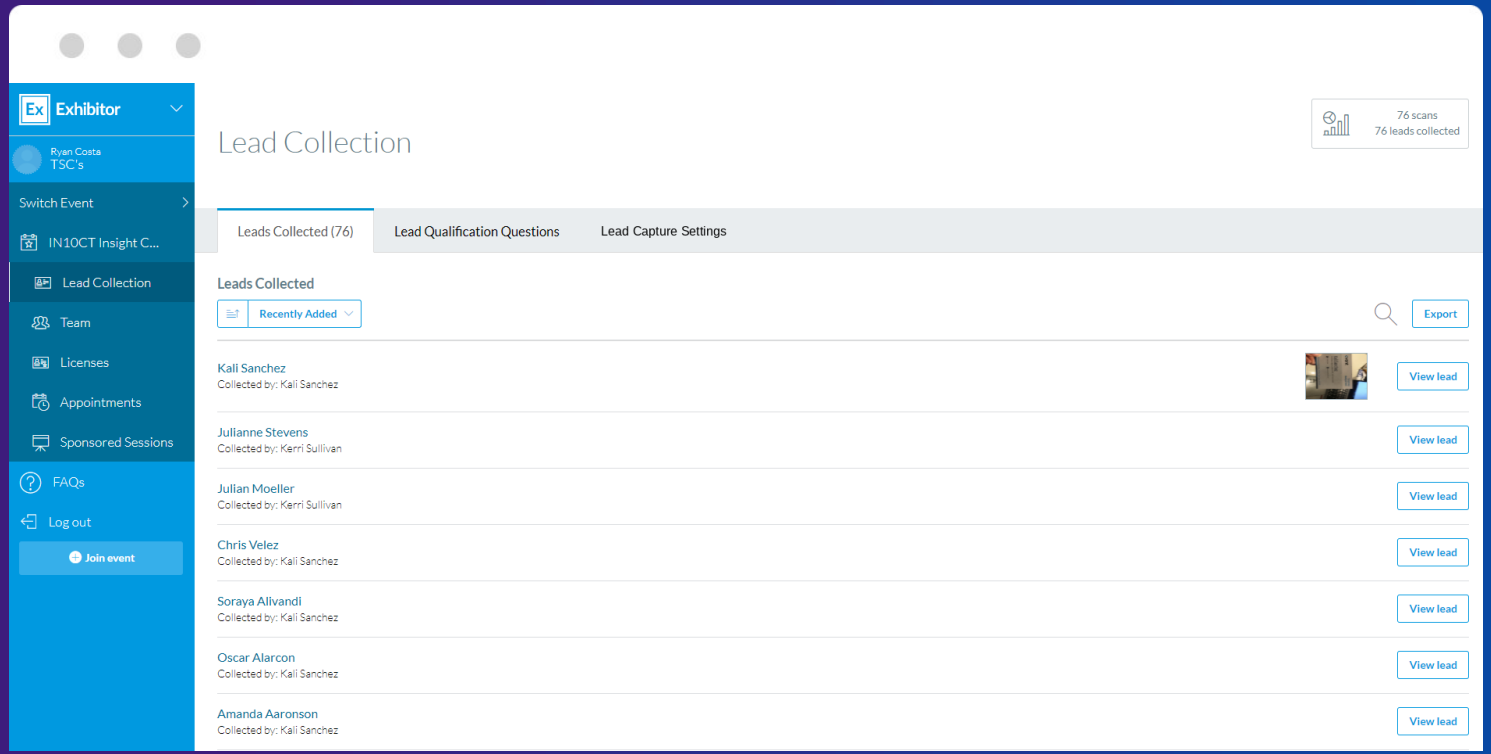

Automate your lead gathering process

End-to-End Trade Show Support

Before the Event

Set appointments with leads at the show

During the Event

Collect and qualify leads

After the Event

Deliver leads and create reporting
